

Friday 5th July 2024

This week was PSHE Week!

Our School Value focus is: **LOVE**

OAK

Hazard Alley Trip

Oak experienced a trip to remember this week!

They learned how to stay safe, understand risks and avoid accidents using realistic learning experiences.

Children were able to discover the possible dangers in everyday situations and learn how to keep themselves safe.

Hazard Alley has 12 familiar scenarios that can be visited on a tour including a pond area to discuss drowning prevention and a zebra crossing to highlight road safety.

Collective Worship

Collective worship took place in classrooms this week. In line with our PSHE-themed week, the focus was on internet safety. Children learned about how to stay safe and how to be kind online.

The children have started planting spider plants to look after. They will be bringing theirs home over the next week.

PRAYER SQUARE

God,
please
help me to
treat
everyone
with
kindness
and
respect.

AMEN

BIRCH

Hogshaw Farm!

LIME

Lime have been identifying different farm animals and sorting them into different groups ready for our trip to Hogshaw Farm. In our Science lessons we have been describing animals and the different habitats they live in.
