

# Westcott Weekly

Friday 12<sup>th</sup> July 2024

*We have had a great 'performing' week!*

Westcott pupils had an amazing time on Monday learning circus skills. Steve from Shooting Stars came into school and taught the pupils and staff different juggling, balancing skills which cumulated in a performance in the afternoon. The pupils showed perseverance and determination to perfect what they had learnt and everyone had a thoroughly enjoyable day.

## **Warner Bros Studio Tour!**

**The children behaved impeccably; we are very proud of them!**

**They went off the Hogwarts Express, through the Forbidden Forest and even into the Great Hall!**

**The children had so much fun seeing the props and scenery from the iconic films and finding out how the special effects were achieved!**

## PRAYER SQUARE

Dear God

Thank you for the experiences we have enjoyed in our school this week. We have cherished being together, learning new skills and seeing new things.

We ask that you help us to enjoy our last few days at

Westcott.

*AMEN*

## Collective Worship

Our collective worship this week has focused on the school's Bible verse 'Let Your Light Shine'. We heard the message of the poem 'The Joy of Human Doing' by Daniel Thompson, which tells us that acts of kindness, however small, can grow like seeds to have a huge impact.
